•EARTH DAY•

## Earth Day, Every Day

Earth Day is observed every year on April 22, motivating people to take part in protecting the planet. There are many ways you can help the environment on Earth Day and every day, and they offer additional benefits for you as well.

Take reusable bags with you when you go shopping; carry a refillable water bottle instead of buying bottled water, and bring your own travel mug to coffee shops and convenience stores.

Leaving the water running for just a minute can send 3 gallons of water down the drain, so turn the faucet off while brushing your teeth or shaving. Try to trim a few minutes off your shower time.

When you can, reduce your carbon footprint by walking or cycling to your destination. *Perks:* You'll get exercise and fresh air, which benefits both your physical and mental health.

## Good Friday Service

Join us in the chapel, April 7th, for a reading of the Easter Story.

## Easter Egg Hunt & Party, April 5th

Beginning at 1:30 pm, join us for an Easter Egg Hunt in the Courtyard (weather permitting). Bring your own bag or basket to collect eggs/prizes. Plenty of eggs for everyone! Immediately following the Easter Egg Hunt, we will enjoy music by Michael Prettyman and tasty snacks in the Dining Room. NOTE: If the weather is not nice enough for an outdoor hunt, we will hunt on the 1st floor (i.e., lobby, library, sitting rooms and dining room).

## Go Flower Chasing

Just as autumn's golden colors inspire drives to go "leaf peeping," spring's awakening world invites nature lovers to go "flower chasing." Many farms offer tours to admire their blooms, or simply head out of town in search of a wildflower field where you can snap some photos and breathe in the fresh, fragrant air.
