The Stars and Stripes

Flying outside businesses and homes, in classrooms and on TV, the American flag is seen by many of us every day. Each year on June 14, Flag Day is an opportunity for us to appreciate this patriotic symbol and all it stands for. The holiday marks the date in 1777 when the Second Continental Congress adopted the nation's first flag, which had 13 red and white stripes and 13 white stars on a blue field in the upper left corner. The number of stars and stripes represented the 13 Colonies that formed the U.S. Today's flag continues to honor the original Colonies by keeping the 13 stripes, but there are now 50 stars in the corner, as the country has grown to include 50 states.

D-Day Presentation

On June 6th at 2 pm, join us for a special D-Day presentation in the 1st Floor Game Room. Keith McKenzie will provide pictures and discuss this historic event. Please arrive early to get a good seat!

A Summertime Surprise

The first day of summer is June 21st! To celebrate the start of summertime fun, you can **play BINGO for free on Friday, June 23rd and Tuesday, June 27th!**

Sun Tea Inside

Brewing a jug of tea on a sunny porch is a nostalgic summertime activity. You can capture this old-fashioned feeling by making sun tea indoors. Simply place four black tea bags in a quart of cold water, cover, and let sit for 2 to 3 hours. If you want sweet tea, add honey, agave syrup or simple syrup, since liquids will dissolve better in cold water than granulated sugar. Food editors say this cold-brewing method results in a better-tasting tea that's ready for serving over ice.

Double the Hydration

Nutrition experts say you can double up your hydration by snacking on fresh produce. Eating fruits and veggies with a high water content, such as an apple or some carrot sticks, along with drinking H2O can help you stay better hydrated.
